PEACE LUTHERAN CHURCH

Each week our church helps a few families with emergency expenses (up to \$50, once every six months). Those requesting assistance may call the church office on Monday morning. Funds are available on a first-come, first-served basis. Families requesting funds are asked to describe their plan for meeting their own needs and what has happened to interfere with their ability to care for themselves. Families requesting assistance are also asked to provide a reference (phone number of a person in a position of authority-other than a family member or friend), who can confirm the circumstances leading to the request. In addition, persons requesting assistance must complete a "release of information" form by coming to the church office. If the request is for emergency housing, the family will first be asked to visit with a staff member at the Bethlehem House, and that staff member will then call our church to indicate the type of assistance that is appropriate. For more information please call 501-329-3854

HEALTH CARE FOR HOMELESS VETERANS (HCHV) PROGRAM

The Health Care for Homeless Veterans (HCHV) Program serves the needs of Veterans who are homeless in the Central Arkansas area. The Central Arkansas Veterans Healthcare System (VA) Day Treatment Center, located at 1000 Main Street in Little Rock, Arkansas, is the designated VA treatment site where Veterans who are homeless come to access and participate in HCHV services. VA case managers are available daily to help connect Veterans with both VA and community resources to help meet their needs.

If not already enrolled, a Veteran must first be entered into the VA system before accessing VA programs and services. This may be done by going to the Eligibility Office at either the Towbin For Roots or McClellan VA.

Day Treatment Center

Purpose is to provide a safe place for Veterans who are homeless to receive population-specific treatment services during the day. A variety of scheduled life skills, health, and nutrition groups are held daily. In addition, the Day Treatment Center has a closet of donated goods and is equipped with laundry and shower facilities. Vocational Rehabilitation Therapists and representatives from the AR Department of Workforce Services are available to assist with employment, educations, and vocational needs. The VA's Shuttle Service provides transportation to and from our Little Rock and North Little Rock hospital campuses. The Day Treatment Center building houses staff from the HCHV programs. For more information, call 501-244-1785.

HCHV Residential Treatment and Case Management

Veterans who seek relief from homelessness are placed at one of our four contracted facilities. Sober Living, St. Francis House, and BCD-Empowerment Center are in Little Rock, Arkansas. Individuals must have thirty days documented sobriety or no history of SUD in order to receive placement at St. Francis House. Veterans who require more intensive SUD treatment are placed at Wilbur D. Mills (Searcy, Arkansas). While in residential treatment, Veterans receive weekly case management and are linked to VA and community programs and services to assist them in meeting their needs and helping them to escape homelessness. Veterans agree to maintain complete sobriety while in residential treatment, and many are participating in HCHV SUD outpatient treatment and/or SUD groups at Fort Roots VA. The HCHV Coordinator can be reached at 501-244-1753.

Supported Housing

This program is designed to assist Veterans with obtaining affordable housing in the community, either through private landlords or government housing programs. Veterans seeking assistance through this program must agree to participate in identified aftercare programs and receive on-going case management follow-up from the program coordinator for a specified period of time. The Supported Housing Coordinator can be reached at 501-244-1772.

HUD-VASH

Joint venture between Housing and Urban Development (HUD) and VA. This program began in 1992. Veterans who participate in the program receive a housing voucher that subsidizes their rent. Veterans interested in the program must also agree to aftercare involvement, as well as close follow-up from the program. Individuals must meet the low income threshold and must not have a record as a sex offender. Unlike traditional Section 8 Housing Vouchers, HUD_VASH vouchers may be utilized by individuals with a felony background. Lead HUD_VASH case managers can be reached at 501-244-1766, 501-244-1776, and 501-244-1764.

VETERANS

Health Care for Re-Entry Veterans (HCRV)

This program focuses on incarcerated Veterans in Arkansas State and Federal Prison Systems. Its intent is to provide these Veterans with linkages to VA and community resources to help them make a smooth transition back into mainstream society and to prevent street homelessness. The HCRV Specialist can be reached at 501-244-1756.

Veterans Justice Outreach (VJO)

This program is designed to assist Veterans incarcerated in local jails with transitioning into the community and gaining access to VA services to address their clinical needs and work toward improving their stability. VJO Specialists can be reached at 501-244-1750, 501-244-1757, and 501-244-1774.
